

TO: All Doctoral Students

FROM: Peter N. Miller, Professor and Chair

I am very pleased to be able to announce that we are continuing our offer of two dissertation write-up grants. The awards are one year, non-renewable, and are aimed at helping students who are at the writing stage of their degree.

Each of the two awards will be for \$15,000, and will be given in two stipends. Please read the attached application form carefully, and note all the requirements and deadlines.

15 copies of the completed form, with appropriate attachments, are due in AP by March 17 for discussion at the April 8th GCM. Please keep in mind, as the form indicates, that in order to qualify for consideration, candidates must have completed all coursework for the degree, all exams, all language requirements, and must have an approved dissertation proposal on file.

Good luck to all, and we are especially grateful to Susan Weber Soros for making these awards possible.

Please feel free to contact me with any questions you may have.
