

Dissertation Completion Enrollment

Dissertation Completion Enrollment (DCE) status allows doctoral students to extend the program completion date through one-year extensions, for a maximum extension of two years. Applications are submitted for consideration at the April GCM for DCE status for the following academic year. Please indicate below whether you are applying for Year 1 or Year 2 of DCE status. Prior to your application, you must submit your work in progress to your dissertation advisor, and your advisor must sign this form. Please provide a summary of your project's status and a timeline as indicated below.

I am applying for DCE status: Year 1 Year 2
