Term

Title of Original Seminar Paper

Please outline the argument of the original seminar paper, and discuss why this topic makes a promising QP.

Handwritten response area with horizontal lines.

What do you intend to revise/revisit for the QP? How will this change your argument and/or conclusion?

Handwritten response area with horizontal lines.

For the QP Advisor: Please comment on the suitability of this paper for revision as a QP. What revisions have you requested from the student, and have you set a schedule of intermediate deadlines?
