Have you been awarded money from the MA Student Research Fund before? If so, how much:

Date[s] of Event: _____

Estimated or Actual Costs (please attach additional information as needed):

MA Student Research Fund Guidelines
MA Entering 2020

This fund was set up as a research fund when Bard Travel was canceled for Spring 2021. Students may apply for up to \$1,500 to cover costs related to furthering their intellectual development. We hope that by creating this additional fund it may allow you to get some experience—materials-based workshop, a language class, travel, etc—that will be valuable in the same way we envision the value of our travel program. Applications are rolling and may be submitted to alec.newell@bgc.bard.edu. Multiple applications will be accepted.

Examples of what this fund may be used to reimburse or cover include:

- Travel and housing costs related to research trips / opportunities
- Visa costs
- Books
- Admissions and membership fees

This fund will not cover:

- Food and entertainment costs
- Phone or computer costs
- This money cannot be issued as an advance or as a payment

Contact Keith Condon if you have questions about specifics, and to apply please complete the Research Fund form and email it along with any receipts / costs to alec.newell@bgc.bard.edu. Requests must be submitted by December 17, 2021.
